Update on new class schedule and reopening of USA Kung Fu Studio **Effective 3/29/2021**

Hello students and families,

This email is regarding upcoming changes for USAKFS. Since moving into the new tier, we are allowed to operate inside the studio. With this comes several changes in terms of scheduling and attendance. These changes will be active on March 29th, 2021:

- We will be opening both indoor and outdoor locations. Weekday classes in the early afternoon will take place at Lincoln Park, while classes later on are held inside our studio at 1828 Park St. Weekend classes will be held at both Lincoln Park and studio at the same time. Please double check the updated schedule on the back of this page to verify your class times.
- In order to maintain both locations, we will be splitting our instructors between the two. We will be asking families to now attend the amount of classes that is specified on their contract. Unlimited classes are no longer offered unless you have that membership. This will help minimize class sizes and improve the quality of each lesson. Please adhere to the contract and come those amount of times. Talk to instructors if you want to upgrade your membership in order to attend more classes.
- Students who are 13 years old and up only can attend Teen/Adult classes. Please ask instructors if you want to discuss which class you belong to.
- If your membership has already expired, and you have not shown up for training since March 2020, you can still come and train. We will give you the class credits.

As all of our instructors have been vaccinated, we encourage all parents to do so too. Let's work together to provide a safe training environment. Please follow the rules listed below:

- ❖ All students and staff and parents must wear a face mask
- ❖ Instructional space must be set up so students are 3 feet apart.
- ❖ Frequent hand washing and regular cleaning and disinfection.
- ❖ A daily screening for possible symptoms (temperature check, etc.) must take place. This can be done at home by parents. We will also do temperature check before the class starts.
- ❖ Students are required to report the cases of illness to USAKFS immediately so that we can intervene quickly and work with public health authorities to halt the spread of the virus.
